Nothing Now Is Left

F. F. A. Banquet

F. F. A. Beaus and F. H. A. Sweethearts

Exchanging classes in F.F.A and F.H.A. was really fun. While the boys were taking home economics, the girls were taking agriculture.

The boys learned about nutrition, manners, health, and, of course, cooking. Miss Valdez also tried to teach them a little sewing.

Mr. Villarreal, at the same time, was teaching the girls about poultry and meats - also, about flowers.

Everybody thought this was fun and hoped a future class would get to do the same thing.
